**Certain items and events are not covered by this Agreement. Please refer to the *Exclusions* section of this Agreement for details.**

## COVERAGE REQUIREMENTS

- All covered systems and appliances must be in normal operating condition at the time coverage takes effect. Conditions determined to have existed prior to the coverage period or systems and appliances that never functioned properly during the period of warranty coverage are pre-existing conditions and are not eligible for coverage under this Agreement.**
- Agreement covers only repairs resulting from normal wear and tear associated with normal usage of covered items.
- Coverage starts on the date of application, provided that fees are received within fourteen (14) business days, and continues for the number years purchased. If payment is later than fourteen (14) days, the Agreement will commence on the day that payment is received. Arrangements for monthly payments over the annual term may be available with coverage commencing thirty (30) days after payment is received. Remaining annual purchase price payments may be deducted from service reimbursements. Coverage for optional items added after the initial order period will have a thirty-day (30) waiting period before claims may be filed on those optional items.

## COVERAGE

- Agreement provides for repair (including parts and labor) or replacement on all items for which coverage has been purchased (subject to terms and limitations of this Agreement).
- We will determine, at Our sole discretion, whether a covered system or appliance will be repaired or replaced based on an approved repair cost. Items for which parts or technical information are not available due to government mandated restrictions or parts availability (other than non-readable or missing make, model or serial numbers) or items for which the repair exceeds replacement cost of the item will be deemed non-repairable. A customer whose mechanical system or appliance has been deemed non-repairable will be given the monies available in the Replacement Account. Items for which parts or technical information are not available due to non-readable or missing make, model and serial numbers will be assessed a repair estimate based on a comparable repair.
- The Replacement Account consists of 100% of the money paid in for this Agreement on a covered item, subject to a **maximum of \$400 for appliances (except refrigerators), \$600 for refrigerators and \$1,000 for furnaces, air-to-air heat pumps, or air conditioners.** Replacement Account monies shall be kept in the account until the covered item is deemed non-repairable. Replacement Account terminates upon expiration of the Agreement.

- We may (at Our discretion) allow You to forgo repair and apply an amount up to what the repair would have cost to the replacement of an item instead, but allowance will never exceed Our estimate of remaining cost of repair, regardless of age or condition of the item. If You elect to replace equipment with used equipment (from eBay, Craigslist and the like), the replacement equipment will be subject to a **THIRTY-DAY (30) WAIT IN CLAIMS.**
- We have sole discretion to choose service personnel and will not reimburse for work performed without its prior approval or by service personnel contacted directly by the customer unless directed to do so by Us except in the case of emergency repairs described below.**
- All requests for service not answered immediately will be acknowledged with a return phone call within four (4) hours during normal working hours and forty-eight (48) hours on weekends and holidays. Agreement allows for You to contact Us and schedule service during normal business hours. You may elect to have after hours service performed at Your own discretion but You will be responsible for any additional fees associated with expediting the service. We reserve the right to obtain a second opinion. In the event of an after-hours emergency, to obtain service please call toll-free 24/7/365 at (877)977-4949 and select the Emergency Service option.
- We reserve the sole right to determine whether a covered system or appliance will be repaired or replaced and to limit the amount paid on any individual repair or replacement.
- If a property has multiple mechanical systems or appliances that require the purchase of additional coverage in order to be covered and additional coverage is not purchased, We will limit coverage to the appliance specified in the application.
- We reserve the right to have the repair or replacement performed with after-market, off-brand, used, remanufactured, or reconditioned parts.
- Notice of any malfunction must be given to Us prior to Agreement expiration with the initial service call scheduled within thirty (30) days and all approved work must be completed within six (6) months of Agreement expiration.
- Unless a part of item is specifically listed under the “COVERED” section for the particular item in the section entitled “Items Available for Coverage” below, the item or part is not covered.
- There is no deductible for coverage under this Agreement.**
