COVERAGE

1. Agreement provides for repair (including parts and labor) or replacement on all items for which coverage has been purchased (subject to terms and limitations of this Agreement).
2. Items for which parts or technical information are not available (other than non-readable or missing make, model or serial numbers) or items for which the repair exceeds replacement cost of the item will be deemed non-repairable. A customer whose mechanical system or appliance has been deemed non-repairable will be given the monies available in the Replacement Account. Items for which parts or technical information are not available due to non-readable or missing make, model and serial numbers will be assessed a repair estimate based on a comparable repair.

Replacement Account ceases to exist upon expiration of the Agreement.
4. We may (at Our discretion) allow You to forgo repair and apply an amount up to what the repair would have cost to the replacement of an item instead, but allowance will never exceed Our estimate of remaining cost of repair, regardless of age or condition of the item.
5. **We have sole discretion to choose service personnel and will not reimburse for work performed without its prior approval or by service personnel contacted directly by the customer unless directed to do so by Us except in the case of emergency repairs described below.**
6. All requests for service not answered immediately will be acknowledged with a return phone call within 4 hours during normal working hours and 48 hours on weekends and holidays. Agreement allows for You to contact Us and schedule service during normal business hours. You may elect to have after hours service performed at Your own discretion but You will be responsible for any additional fees associated with expediting the service. We reserve the right to obtain a second opinion. In the event of an after hours emergency, to obtain service please call toll-free 24/7/365 at (877) 977-4949 and remain on the line.
7. We reserve the sole right to determine whether a covered system or appliance will be repaired or replaced and to limit the amount paid on any individual repair or replacement.
8. If a property has multiple mechanical systems or appliances that require the purchase of additional coverage in order to be covered and additional coverage is not purchased, We will limit coverage to the appliance specified in the application.
9. We reserve the right to have the repair or replacement performed with after-market, off-brand, used, remanufactured, or reconditioned parts.
10. Notice of any malfunction must be given to Us prior to Agreement expiration with the initial service call scheduled within 30 days and all approved work must be completed within 6 months of Agreement expiration.
