The Supplemental Home Protection Plan ("Agreement") is between the provider, Home Warranty of the Midwest, Inc. P.O. Box 1, Rock Rapids, IA 51246, (877) 977-4949 ("We", "Us", and "Our") and the purchaser ("You" and "Your").

The Welcome Letter sent to you upon enrollment is incorporated into these terms and conditions.

COVERAGE REQUIREMENTS

1. All covered systems and appliances must be in normal operating condition at the time coverage takes effect. Conditions determined to have existed prior to the coverage period or systems and appliances that never functioned properly during the period of warranty coverage are pre-existing conditions and are not eligible for coverage under this Agreement.
2. Agreement covers only repairs resulting from normal wear and tear associated with normal usage of covered items.
3. Purchase or registration of the plan implies consent to all Agreement terms and conditions.

If full purchase price is received up front, coverage starts on the date of order and continues for the number of years purchased. Initial payment for the warranty must be received by Us not more than 14 days after ordering. If payment is later than 14 days, the warranty will commence on the day payment is received. Arrangements for monthly payments over the annual term may be available with coverage commencing 30 days after payment is received. Remaining annual purchase price payments may be deducted from service reimbursements. Coverage for optional items added after the initial order period will have a 30-day waiting period before claims may be filed on those optional items.

Multi-Unit Properties: Coverage under this Agreement is for a single residential property or unit only unless multi-unit coverage is purchased. Extra units require an additional fee in order to be covered. Mechanical systems or appliances serving multiple units are not eligible for coverage unless all units serviced by the mechanical system or appliance are covered under an additional fee. Item quantity limits, service cost limits, and prices on optional or extra items, are on a per unit basis. To constitute a multi-unit property under this Agreement, all property's units must be part of a common structure, be part of a single sales transaction involving only 1 property owner/entity, and not be subject to dividing for future resale.

COVERAGE

1. Agreement provides for repair (including parts and labor) on all items for which coverage has been purchased (subject to terms and limitations of this Agreement), less a **\$100 service fee per incident** or actual cost of service, whichever is less, payable to the company providing service. "Per incident" is defined as a single failure occurring within a single unit or location, requiring a single repair. Failures determined to have occurred outside of these parameters will be assessed additional trade service fees. Failure to pay the service fee or any amount due the servicer from You will result in suspension of warranty coverage until fee is paid, at which time coverage will then be reinstated with no extension of the original coverage period. In the event a repair performed under this Agreement fails within 30 days following the initial repair, Agreement provides for a recall service call without an additional service fee. Service fee is subject to change without notice.
2. Items for which the repair exceeds replacement cost will be deemed non-repairable. We will provide the equivalent dollar value of a new builder's standard version of the item as determined by Us (a builder's standard version does not indicate an exact match of specific efficiencies, brands, colors, finishes, dimensions, features). When repairing any

appliance, We will not pay for any failures that do not contribute to the appliance's primary function including but not limited to wireless capability, television or radios built into appliance. If replacing the item, the customer is responsible for any installation fees. Proof of replacement will need to be provided for coverage to continue to extend to that item for the remainder of the coverage term. Items for which parts are not available due to government mandated restrictions, parts availability, non-readable or missing model and/or serial numbers will be given the estimated repair amount (using a comparable part) to apply towards replacement.

3. We may (at Our discretion) allow You to forgo repair and provide cash in lieu of repair services. This amount is based on what We would expect to pay (which may be less than retail cost) for parts and labor for covered items less the incurred cost of the contractor's diagnosis. If You elect to replacement equipment with used equipment (from eBay, Craigslist and the like), the replacement equipment will be subject to a 30-day wait in claims.
4. We have sole discretion to choose service personnel and will not reimburse for work performed without its prior approval or by service personnel contacted directly by the customer unless directed to do so by Us except in the case of emergency repairs described below.
5. All requests for service not answered immediately will be acknowledged with a return phone call within 4 hours during normal working hours and 48 hours on weekends and holidays. Agreement allows for You to contact service company and schedule service during normal business hours. You may elect to have after hours service performed at Your own discretion but You will be responsible for any additional fees associated with expediting service. We reserve the right to obtain a second opinion. In the event of an after-hours emergency, to obtain service please call toll-free 24/7/365 at (877) 977-4949 and select the emergency service option.
6. We reserve the sole right to determine whether a covered system or appliance will be repaired or replaced and to limit the amount paid on any individual repair or replacement.
7. If a property has multiple mechanical systems or appliances that require the purchase of additional coverage in order to be covered and additional coverage is not purchased, We reserve the right to determine which mechanical systems and/or appliances are the ones primarily used and covered by this Agreement. In most cases, the system that services the main living area or the largest system will be considered primary.
8. We reserve the right to have the repair or replacement performed with aftermarket, off-brand, used, remanufactured, or reconditioned parts.
9. Notice of any malfunction must be given to Us prior to Agreement expiration with the initial service call scheduled within 30 days and all approved work must be completed within 6 months of Agreement expiration.
10. Unless a part or item is specifically listed under the "COVERED" section for the particular item below, the item or part is not covered.
