

Make it an easy one with FREE dedicated Utility Connect and Move Services

This **FREE** service provides you one point of contact to schedule assistance¹ with moving and the connection of your new utilities, telecom, pest control, home security, home automation, and many other essential home services. Save time, money, and hassle!

Select this service on the warranty registration form, and one of our trusted partners will reach out to inform you of the companies, plans and options available in your area. Then, you'll select the companies you wish to use and the date of service connection.

Here are some of the service connections we can assist with:

Electric

Internet

TV/Satellite

Home Security

Phone

Natural Gas

Water Service

Movers

And More!

You finally settle into your new home—then two months later, the refrigerator isn't cooling your food properly. Your homeowners insurance policy doesn't cover normal wear-and-tear repairs, but your *Home Protection Plan* from Home Warranty does!

The **14-MONTH**² plan includes undetectable pre-existing conditions³, and great coverage is made even better with optional Enhanced HVAC Plus or Buyer Premium Upgrade protection and much more, such as:

- 2 Heating and 2 Cooling Units Included**
- Choice of Qualified Local Service Contractor**
- 24/7 LIVE Claim Support**
- Cash-Out Option for Repairs**

It's Your Move!

Ask your real estate professional today about registering for a Home Protection Plan and Utility Connect!
